INTERNATIONAL AID RELIEF REPORT

The Australian Afghan Hassanian Youth Association (AAHYA) has consistently demonstrated its commitment to supporting vulnerable individuals and communities both locally and internationally. Our organisation remains dedicated to addressing a wide range of humanitarian issues, with a specific focus on alleviating the suffering of those facing homelessness, persecution, torture, and crime. We also provide assistance to those affected by natural disasters, as well as individuals and families who are experiencing a severe lack of essential resources, including food, medical care, clothing, and shelter.
Through a variety of targeted initiatives.

AAHYA works to provide immediate relief and long-term support, empowering those most in need. We are steadfast in our mission to improve the lives of those enduring systemic injustice, conflict, and hardship, and we remain focused on creating sustainable solutions to foster a sense of dignity, security, and hope for affected communities across the globe.

The Australian Afghan Hassanian Youth Association is a Public Benevolent Institution and has a role to assist people affected by immediate and long-term crisis. As times progress there is a growing concern in major parts of the world with countries such as Afghanistan, Pakistan, Syria, Yemen and many more countries with its people facing extremely poor living conditions and fleeing due to war and terror. AAHYA is continuing its support to many refugee and asylum seeker families and children by either direct funding, food relief, or referrals to major international organisations. Below shows the work that AAHYA is undertaking for many people around the poor regions of Afghanistan and Pakistan and soon hope to achieve many other countries who are suffering from poverty and forceful removal.

RAMADHAN APPEAL ROUND 1

The first round of our 2024 Ramadan Appeal has been successfully distributed to disadvantaged families in Afghanistan. We are grateful for the opportunity to assist those in dire conditions during this holy month. Our dedicated volunteer team worked tirelessly to ensure that food packages reached the most vulnerable individuals. As a charitable organisation, we remain committed to supporting those facing homelessness and poverty. We encourage the Muslim community to contribute according to their means and not overlook those in need.

RAMADHAN APPEAL ROUND 2

Our second round of Ramadan appeal was distributed to 10 underprivileged families residing in Afghanistan. The food packages were delivered to families living in impoverished areas of Afghanistan and contained essential items such as rice and more. As a charitable organisation, it was our responsibility to assist as many people as possible during the sacred month of Ramadan. It was crucial that the Muslim community did not neglect these individuals and made contributions to appeals according to their means.

RAMADHAN APPEAL ROUND 3

We successfully delivered the third round of our Ramadan appeal to families who had sought refuge in Pakistan after fleeing Afghanistan due to the Taliban's control. These families were living in disadvantaged areas and facing significant financial challenges, as they were not permitted to work or support themselves. Our food packages, which included essential items like rice, aimed to ease their hardships during this sacred month of Ramadan.

RAMADHAN APPEAL ROUND 4

Our organisation, the Australian Afghan Hassanian Youth Association, was pleased to announce the successful distribution of our fourth round of Ramadan appeal to disadvantaged families in the Ghazni province of Afghanistan. The food packages were distributed to those in need in the most impoverished areas of Ghazni, and we extend our gratitude to our dedicated volunteer team in Afghanistan for their hard work in ensuring the distribution. As a charitable organisation, it was our duty to assist as many individuals as possible during this sacred month of Ramadan.

AMBULANCE SERVICE PROJECT GHAZNI

The Australian Afghan Hassanian Youth Association (AAHYA) is proud to announce the completion of the Ambulance Service Project in Ghazni, Afghanistan, funded by the late Sayed Abdul Hakeem Jafari, the founder of AAHYA. This ambulance was provided to support the communities in the Jaghori district, including areas like Shashpar, Shoghla, Pushte Bom, and Khagbad, where access to medical services is extremely limited. Specially equipped to assist women during pregnancy and childbirth, the ambulance addresses a critical need in a region where many have struggled to reach healthcare facilities.

WATER WELL PROJECT ROUND 1

TThe Australian Afghan Hassanian Youth Association (AAHYA) is proud to announce that our first water well project in 2024 was a great success. Our volunteer team visited a small, disadvantaged village in Ghazni, Afghanistan, home to many refugees and displaced people. The village had long struggled with severe water scarcity, and the project made a significant impact on the lives of the villagers, improving health and daily living conditions.

WATER WELL PROJECT ROUND 2

As part of our ongoing Water Well Project 2024, the Australian Afghan Hassanian Youth Association (AAHYA) is proud to announce the completion of a new water well, funded by the late Sayed Abdul Hakeem Jafari, the esteemed founder of AAHYA. To honour his memory and his lifelong dedication to service, a water well was constructed at a mosque in Bororiyi, Quetta, Pakistan. For many years, this mosque and the surrounding community had struggled with very limited access to clean water. The mosque is home to many refugees and migrants, many of whom often went days without access to water.

WATER WELL PROJECT ROUND 3

TThe Australian Afghan Hassanian Youth Association (AAHYA) is pleased to announce the successful completion of a water well project at Zaynabia Girls School in Alawdiny, Ghazni, Afghanistan. This region faces harsh living conditions, with access to clean water being a significant challenge for the girls attending the school. Zaynabia Girls School provides vital educational opportunities for young girls who have been unable to pursue their studies due to government restrictions. By providing clean water, this project not only addresses a critical need but also empowers these girls, ensuring they have a safe and supportive environment for their education and future development. AAHYA remains committed to making a positive impact in the lives of these girls and the wider community, and this project reflects our ongoing dedication to creating meaningful change in the region.

WATER WELL PROJECT ROUND 4

The Australian Afghan Hassanian Youth Association (AAHYA) is proud to announce the successful completion of another water well as part of our 2024 Water Well Project. Our 2024 Water Well Project was launched with the ambitious goal of establishing up to four water wells in underprivileged villages across Afghanistan. We are delighted to report that, Alhamdulillah, we met this target and are now committed to exceeding it. The most recent water well was constructed at Shahid Isa Khan Secondary College in Deh Tahmas Village, Aladdini, one of the most impoverished regions in Afghanistan, where many residents face extreme poverty. The school, which serves approximately 230 students, had been relying on a dried-up well, forcing students to travel long distances with large plastic bottles to access water. This initiative stands as a testament to AAHYA's dedication to improving the lives of the less fortunate through sustainable projects. Access to clean water is a basic human right, and we are committed to continuing our efforts to provide this essential resource to those in need.

WATER WELL PROJECT ROUND 5

We are proud to announce that our founder Haji Hakim Jaffari has funded the construction of a water well. Our sport's facilitator Mushtaba visited the mosque which is located in the province of Ghazni, home to over 500 refugees and migrants from all around Afghanistan. For many years, this mosque had very little water and support and Alhamdulillah AAHYA with the help of Mr Jaffari a respected elder of our community, we were able to help the people of this mosque and the community by providing clean and safe water.

WATER WELL PROJECT ROUND 6

n 2025, AAHYA successfully installed a new water well in the village of Khawat-e Besood, Afghanistan. The well was built at a local mosque in a remote area where residents had no access to clean water. Before the project, people had to walk long distances to other villages just to get water for daily use. Alhamdulillah, thanks to the support of the community, AAHYA was able to make a big difference. Now, the whole village benefits from the well — especially during prayer times, when people come to the mosque and use the water for wudu. This project was one of AAHYA's proudest achievements, helping meet an essential need and bringing relief to many families. Access to clean water is a basic human right, and many people in Afghanistan still go without it. That's why in 2025, AAHYA continued working to build more water wells in poor and underserved areas of the country.

QURBANI DISTRIBUTION ROUND 1

In response to the worsening situation in Afghanistan, AAHYA successfully completed the first round of its Eid Al Adha Qurbani distribution in 2024. Meat was distributed to three locations severely impacted by the ongoing financial crisis, where many had not received meat for over a year. This initiative was made possible through the hard work of our volunteers in Afghanistan and the generous support from our Australian community.

QURBANI DISTRIBUTION ROUND 2

In response to the ongoing crisis in Afghanistan, AAHYA completed the second round of its Eid Al Adha Qurbani distribution in 2024. Meat was provided to three locations severely impacted by the financial crisis, where people had been without meat for over a year, making this distribution even more meaningful. In this second round, special focus was placed on a village in Ghazni province, where the community had been in dire need of food and resources.

QURBANI DISTRIBUTION ROUND 3

In the third round of our 2024 Eid Al Adha Qurbani distribution, AAHYA provided much-needed support to three areas severely affected by the ongoing financial crisis in Afghanistan. The situation in these regions continues to worsen, and this Qurbani initiative aimed to ease the hardships faced by many in these communities. This round focused specifically on Herat province, a region in desperate need of assistance.

QURBANI DISTRIBUTION ROUND 4

AAHYA successfully completed the fourth round of its Eid Al Adha Qurbani distribution in Mashhad, Iran, a region that is home to many Afghan refugees. These refugees face significant financial hardships, with limited employment opportunities and numerous other challenges. The Qurbani distribution aimed to provide much-needed relief to these vulnerable communities. For over a year, many in this area had been without access to meat, making this initiative even more critical. We are deeply grateful to the dedicated volunteers in Iran who worked tirelessly alongside AAHYA to ensure the success of this project. This round marked our largest Qurbani distribution to date, and we are proud of the impact it has had on the lives of so many.

Coming from a war-torn country and leaving your home can leave you feeling isolated and out of place, but activities like soccer encourage communication, help build social skills, and promote health—all while having fun. AAHYA international aid relief to, Ahmed Rais, a young boy in Afghanistan who is currently suffering a brain tumour. Unfortunately his family had no fund to support treatment for him nor any fund to take him to Kabul to get it checked out. With the current situation happening in Afghanistan, there's lots of people like Ahmed, who are not willing to fund treatment for themselves. The whole effort of these funds are so we let the people of Afghanistan know that despite these difficult conditions they are going through, there's people around the world who care about them and are constantly thinking about them.

AAHYA stepped in and provided them with financial assistance.

INTERNATIONAL AID RELIEF TO A SCHOOL IN AFGHANISTAN

The Australian Afghan Hassanian Youth Association provided international financial relief to Maktab-e Lesa Shashpar. A couple of years ago, AAHYA built a water well for the school, which is now used by over 150-250 students each day. Previously, it was difficult for students to gather water as the well was located some distance from the school, and the water supply began to dry up due to ongoing drought. This aid relief included the extension of pipes, the installation of solar technology, and the addition of a water tank to help students access water and stay hydrated at the school. The main goal of the project was to make it easier for these young students to receive an education, as water is one of the most important nutrients that humans need.

AFGHANISTAN EARTHQUAKE APPEAL

The Australian Afghan Hassanian Youth Association provided international aid and relief following the devastating earthquake in Afghanistan. The earthquake affected nearly 1,000 people and left over 1,500 injured. This was the first round of assistance, with many people from different backgrounds contributing to the cause. It is truly heartening to see such support, as the people of Afghanistan are facing their worst conditions in over 100 years.

INTERNATIONAL AID RELIEF TO A FEMALE ONLY SCHOOL IN AFGHANISTAN

The Australian Afghan Hassanian Youth Association provided international aid relief to a girls-only religious school in Afghanistan. Since schools for females were closed in Afghanistan, enrolment numbers have dramatically increased, with approximately 900 women now attending this school. The females at this school have been struggling to cope with the harsh winter conditions without heaters, as well as Afghanistan's unpredictable weather. AAHYA donated whiteboards, heaters, books, markers, pens, pencils, coal, and blankets to this Madrasa. AAHYA's primary aim is to empower Afghan women in Afghanistan to receive a solid education and achieve their goals, despite the ongoing economic challenges in the country. Although this may seem like a small contribution, it has made a significant difference for the Bayati Zahra Madrasa.

WINTER FUND RELIEF AID IN PAKISTAN

The Australian Afghan Hassanian Youth Association is proud to share the wonderful news of donations provided to vulnerable Afghans residing in Quetta, Pakistan, with winter clothing and essential items to offer them comfort and warmth. INTERNATIONAL AID RELIEF TO DISPLACED FAMILIES AND CHILDREN IN PAKISTAN

The Australian Afghan Hassanian Youth Association has provided humanitarian support for displaced Afghans. AAHYA has assisted many Afghan refugees, including families and children, who have been forced to flee their homes due to the dire situation in Afghanistan. Many of these refugees have taken shelter in mosques, centres, and local organisations in Quetta, Pakistan, where they are being supported with immediate and direct aid. AAHYA has joined in the wonderful work being done and provided essential items such as food packages and blankets to many of these displaced Afghans, who have fled their country in search of security and safety.

RAMADAN APPEAL 2025

We are proud to announce the successful completion of all four rounds of our 2025 Ramadan Appeal. Throughout the holy month, with the unwavering support of our fellow Muslims and the generous contributions from our community, we were able to make a significant impact on the lives of hundreds of Afghan families and individuals facing severe hardship.

From the outset of Round 1, our goal was clear: to reach and provide relief to over 500 families enduring ongoing struggles such as food insecurity, limited access to education, inadequate housing, and scarce employment opportunities. Thanks to the compassion and generosity of our supporters, we are pleased to report that this target was not only met but meaningfully surpassed through our coordinated efforts across all four rounds.

One of the highlights of this year's campaign was our iftar event held during Round 4 at Bait Al-Qaim Seminary, an all-girls school. This event served 200 female students and underscored our ongoing commitment to supporting girls' education—especially in Afghanistan, where such opportunities are often restricted or denied.
